Fortaleza, CE, Brazil • ansemoferreneto11@gmail.com • linkedin.com/in/anselmo-ferrer • github.com/Anselmo-Ferrer

## Experience

---

### Casa dos Ventos

Software Development Intern

Fortaleza, CE, Brazil

Oct 2025 - Present

- Developed and maintained internal web applications used in the company's operations, working on both frontend and backend features with React, Next.js, TypeScript, and Node.js.
- Implemented new features and integrated REST APIs, including creation, maintenance, and documentation with Swagger, as well as modeling and managing PostgreSQL databases via TypeORM.
- Supported CI/CD processes, containerization with Docker, and deployments on Google Cloud Platform (GCP), contributing to greater environment stability.
- Participated in pull request reviews and agile ceremonies (Scrum/Kanban), collaborating with cross-functional teams across development, product, and design.

## Projects

---

### Flashwise

Next.js, TypeScript, Tailwind CSS, Prisma, Supabase

GitHub

Jun 2025

- Developed a study platform that generates summaries, flashcards, and interactive quizzes from user-uploaded PDFs, leveraging LLMs for content processing.
- Led the entire project lifecycle, from interface design to AI generation logic, with a focus on accessibility and usability.

### Hyrik

Next.js, TypeScript, Tailwind CSS

GitHub

May 2025

- Built a job recommendation system that analyzes user resumes via LLMs and suggests opportunities aligned with the candidate's skills and goals.
- Implemented resume upload and semantic analysis, focusing on inclusion and impact for early-career professionals.

## Education

---

### University of Fortaleza (UNIFOR)

Bachelor of Science in Computer Science

Fortaleza, CE, Brazil

Jan 2024 - Dec 2027

## Certifications

---

- Google Associate Cloud Engineer - 2026

## Skills

---
